

holder for measuring instruments and adapter series HMI, A-HMI

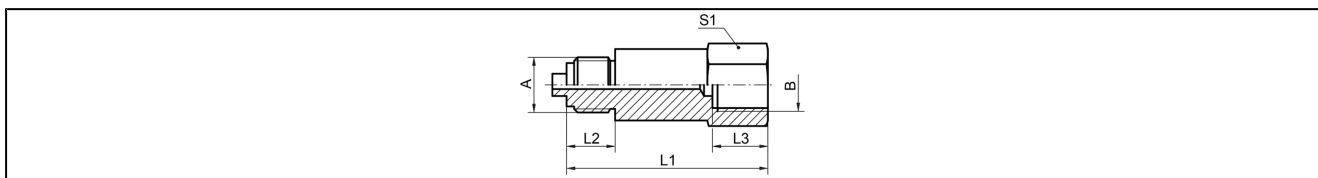

design	holder for measuring instruments according to DIN 16281 form H and adapter for holder of measuring instruments according to DIN 16281
materials	see table
type of fixing	wall bracket
direction for use	to mount manometers the adapter is necessary

holder for measuring instruments

L	material	weight [kg]	type
60	aluminum painted black	0,15	HMI-A-60
100	aluminum painted black	0,18	HMI-A-100
160	aluminum painted black	0,26	HMI-A-160
60	stainless steel AISI 316Ti	-	HMI-W-60
100	stainless steel AISI 316Ti	-	HMI-W-100
160	stainless steel AISI 316Ti	-	HMI-W-160

adapter

connection A, B	material	temperature range [°C]	PN	L1	L2	L3	S1	weight [kg]	type
