Manifold strip G1/4" and G1/2"
Series DI02, DI03

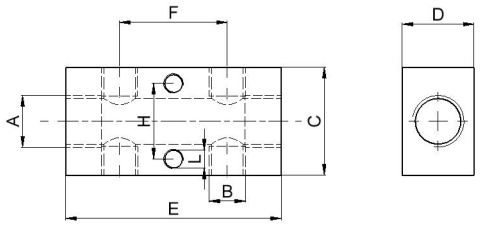

Design type	Manifold strip
Connection	G1/4" and G1/2"
Materials	Aluminium anodized
Medium temperature	-50...100°C
Pressure range	Vacuum up to 16bar
Mounting type	Installation in piping system or via mounting holes
Version	single- or double-sided outlets
Number of outlets	2...12

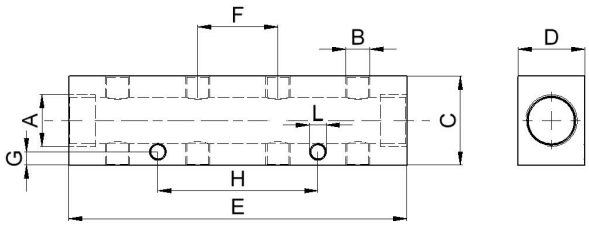

Manifold rail with outlets on both sides
