

Silencer Series SLN-PP

Design type	Silencer completely made of plastic
Threaded connections	G1/8" ... G1" after ISO228/1
Material	Body Polyamide, Damper component Polyethylene
Function	for noise attenuation and against dirt ingress into devices
Mounting position	any
Medium	Compressed air, neutral gases
Medium temperature	-10...+70°C
Operating pressure	max. 10bar

Dimensions

R	H	L	K	Type
G1/8"	27	34	13	SLN-M18-PP
G1/4"	32	40	17	SLN-M14-PP
G3/8"	54	65	25	SLN-M38-PP
G1/2"	60	73	25	SLN-M12-PP
G3/4"	123	140	37	SLN-M34-PP
G1"	148	157	48	SLN-M10-PP
